Dear Valued Essilor Safety Customer,

We recognize the need to deliver strongly on providing you with consistent and quality safety frames, therefore starting August 1st, 2022 we will be streamlining our frame vendors to focus on those who consistently are achieving an exceptional level of service. Our updated offering will allow us to ensure that we are providing the best level of service possible.

Important: If an order is received for a frame that we are unable to supply, you will be notified by our customer service team for a restyle. In order to make this process easier for you, we will provide suggestions for similar frame styles from the preferred vendors.

To learn more about frames and restyle options, please visit our frame catalog at essilorpse.com.
